FOREWORD

The warm enthusiasm of the Millikin spirit has brought her great acclaim in the past year. To compose a yearbook of organizations and athletics and to omit this noble spirit would be to subtract from these the power which makes them worthy of recording. Without this spirit Millikin would be just another school, an institution set up as a machine for the stuffing of facts and figures into human heads. With it, it becomes the great university to which we proudly sing, "Hail our Alma Mater."

Such spirit as this is only felt and can seldom be described except by the finest of poets. To depict in pictures this spirit is equally difficult except that through pictures each of us can relive in our mind those high moments in our college life which enfolded us in this spirit.

Where it begins is hard to say, but for many it began this year with registration and freshman camp. It grew rapidly at Homecoming. It was strengthened as all of Millikin displayed its big heart in the Campus Chest Drive. It was nourished by all school projects: the Variety Show and the Cavalcade of Talent. Then there was that great outburst of spirit as we backed the Big Blue to the N.A.I.B. tournament and watched them play great ball and show the true fighting spirit. We do not have to look to the big things at Millikin to find this spirit, for each of the activities of the school compose one part of this great spirit: the spirit which sets Millikin apart as a highly respected university.

DR. MALONE

Realizing that Dr. Malone must incessantly feel the pressure of the many problems of our University, we are ever amazed and gratified at the ready smile and pleasant, jovial manner that are his. We are exceedingly proud that our University President is not only our academic guide, but most of all, our friend.

DEAN MILLER

The man who so ably and diplomatically handles the immediate and often tormenting inquiries of students and townspeople is our ever competent and reliable Dean Miller. His intelligence, understanding, and keen perception of arising difficulties, combined with his unusual ability to solve problems, and yet keep everyone relatively happy, make the Dean an indispensable leader and advisor on our campus. Our appreciation for all he has done for us and our University, with no thought for himself, can never be expressed by mere words—only by our own future actions.

President and Deans in conference

DEAN FALVEY

An effervescing personality, and an uncanny understanding of each individual student on our campus are the virtuous qualities which constitute the efficiency and dynamic energy unceasingly displayed by Dean Falvey. Her never-ending task of overseeing and maintaining happiness and security in the lives of the women students of Millikin is for only the most capable hands. Dean Falvey's ambitious ideas are greatly needed as she undertakes and completes an enormous job. At the same time she easily manages to gain the respect and admiration of everyone with whom she comes in contact.

ADMINISTRATION

Behind the scenes on the Millikin campus, always ready to steer our course and lend a helping hand, is the Administration. Theirs is the task of keeping the functions of the University on an even keel. They perform their duties well and keep order in the hurried life on the College campus.

SENIOR CLASS

For three years we have watched senior classes tear up the place on their senior picnic, and say goodbye to Millikin.

Now it's our turn. We smile when we think of how scared we were in the beginning; our first rush parties; new friends; getting used to lectures; coffee at the Sub; short ones at the corner; formals; football games, and basketball, too; homecoming; chapel and assembly; myriads of exams, and finally, graduation!

Yes, we have had some bad times and some good times. The bad ones we'll certainly forget—the good ones will mean Millikin to us—Millikin and the class of '52!

JUNIOR CLASS

The Junior class set out in the 1951-52 school year to prove that a class organization can be effective and influential on the Millikin campus. Early in the year, Irvin Wangelin commenced his period of management by appointing a social committee with representatives from every campus organization. This committee has proven to be the motivating force in the junior class program, and through its efforts, Millikin has become widely aware of its energetic, enthusiastic group of juniors. Aside from the traditional Junior Prom, which this year was backed financially by the Student Council, the class was responsible for numerous and varied activities. Highlighting the year's activities were the annual class assembly and a spring social event.

SOPHOMORE CLASS

The Sophomore class started its year of activities by defeating the Freshmen in the annual Frosh Soph Contests. This was only the beginning of a successful year for the three social events sponsored by the class. They were very well attended and enjoyed by all. The social committee consisting of Joan Tingleff and Betty Dietschy as chairmen, Patsy Weiland, Jack Semler, Jim Henigman, Jan Breckinridge and Jeanne Sparks planned the "After Game Dance" in January, the "Evening in Paris" dance in March, and the combined picnic and dance with the freshmen in May. Mr. William Fisher, acting as advisor, aided the officers and committee in every undertaking.

FRESHMAN CLASS

The freshmen had their only setback of the year when they allowed the sophomores to defeat them in the annual Frosh-Soph games preceding the Homecoming game. Thus they were unfortunately compelled to wear their beanies until Thanksgiving.

However, this was soon forgotten as they embarked upon their social program for the year. This was launched by a dance on February 2. Following, on April 4, the freshmen and sophomores enjoyed themselves at a picnic-dance. The social activities of the year were concluded with a dance on May 9.

Among other things the freshmen discovered some real talent among their class members and came up with a successful skit the first semester and an entertaining talent show the second semester.

THE 1952 MILLIDEK

Here is the '52 Millidek, the result of many hours happily spent! This edition is not the property of the staff; but is, instead, owned by the entire faculty and student body. It is the cooperation of the students and faculty that is responsible for these pages. For that splendid spirit, the Millidek staff thanks you.

Staff: M. Gibbs, J. File, J. Sparks, J. Davidson, C. Zwetschke, E. Walden, B. Lytle.

THE DECATURIAN

The Decaturian whipped through another year of scandalmongering, the forty-fifth to be exact, and wound up the year generally recognized as the first-ranking scandal sheet on the verdant prairees of the Millikin campus.

Decaturian Staff, Row 1: N. Todd, C. Kareotes, B. Bowman, M. Bingman, S. Morrison, P. Talbert.

Row 2: D. Snyder, H. Hardcastle, R. Sherman, G. Daniels, V. Bartoletti, M. FitzPatrick, D. Dechert.

Gene Rigsbey was chief-cook-and-bottle-washer during the first semester with Barbara Munson and Emma Lou FitzPatrick wielding the blue pencil during the stretch drive of the last eighteen weeks.

At the risk of being termed "all wet" we bravely fling out the claim that we covered Decatur like the dew. Our news beagles operated at full-throttle throughout the two terms, having their respective noses in more people's business than a tax assessor.

Our fall masterpiece, should we blush?, no, I think not—we're really worth this praise—was the Homecoming edition. In the spring we went west with the Big Blue, scooping A.P., U.P., I.N.S., Domei, and Tass news agencies, and followed this up with a brilliant expose of dope traffic and political corruption on April Fool's Day.

We were aided and abetted by Buryl Engleman, journalism instructor.

PANHELLENIC COUNCIL

The Millikin Panhellenic Council is composed of the presidents and rush captains of the four national women's fraternities on campus with Dean Falvey as advisor. Its functions are to guide the activities of the four women's fraternities, to make and enforce rushing rules, to plan the fall rushing schedule, and to supervise rushing periods.

Fall rush was closed by the annual Panhellenic dinner for all sorority members and their new pledges. The Panhellenic Dance, "Snowflake Serenade," was held November 20 at the Hotel Orlando.

The February meeting of the Panhellenic Council was held jointly with the Inter-Fraternity Council and a schedule of exchange dinners between the fraternities and sororities was planned for the rest of the semester. At the April meeting, the Council entertained the Panhellenic Council of Wesleyan University with a luncheon and a discussion of the similar problems in rush rules and social activities with which both groups are confronted. The Council hopes to continue these joint meetings, which are helpful to both groups involved.

The Panhellenic Council sponsored the University Sing, which was presented May 5.

INTER-FRATERNITY COUNCIL

The Inter-Fraternity Council continued to be most active again this year as a co-ordinator with the school as well as among the fraternities. A pamphlet for future rushing was constructed by a representative committee. It is hoped that this will be the means for effacing many of the rushing difficulties in the future.

The National I.F.C. Convention was held in Old Point Comfort, Virginia, this year, and a sectional I.F.C. meet was held in St. Louis.

Again this year, the Council sold pennants at the Homecoming game, and gave the annual I.F.C. Ball on March 8, the theme being "Fraternizing." Council projects, such as the construction of the trophy case, are financed with resultant funds.

Other activities that the Council took leadership in were closely associated with school spirit and efficiency. The basketball banquet was co-sponsored by the Council and the Quarterback Club. The blood drive sponsored by Alpha Phi Omega service fraternity was given able assistance by the Council.

From a joint meeting of the I.F.C. and the Panhellenic Council came a schedule for dinner exchanges to further organizational relations. This plan proved successful, as were all of the other undertakings of the Council.

Alpha and Omega. . The beginning and the end.

The Beginning . . . We opened the new semester with an initiation dance, and followed it by taking second place in the Homecoming float competition by making "Suckers out of Wesleyan." Our annual Christmas party was held at the chapter house and we spent many hours burning the midnight oil while knitting argyle socks for our winter dance, a "Snowball Serenade." "We Give Our Hearts to You" was the theme of our Valentine initiation dance which honored our new initiates.

And the End . . . a quick change of pace led us into "Infernal Folly" at the Variety Show. Our altruistic project for Hera Day on the first of March was our party for our Welfare Home girls. We managed to fill in the rest of our "spare time" with more parties, dances, and occasional interludes of study which won us the Scholarship Cup for the second year in a row.

DELTA DELTA DELTA

Once again fall rolled around and it found the Tri-Delts pledging fourteen girls, planning a tea in honor of our National President, Mrs. Otto K. Jensen, and having a very successful Homecoming.

We won first place on the house, third place on the float, and our candidate, Evelyn Walden, was selected as Homecoming Queen.

Some of the highlights of our social schedule last winter were the Pine Tea at the chapter house, and the winter formal, "Wintasia," at the Hotel Orlando.

Then as Spring appeared, it found the Tri-Delts at their formal in the Hotel Orlando, and also honoring the graduating senior women at the annual Pansy Breakfast.

Among the many campus leaders were Caroljean Zwetschke, who was elected president of Pi Mu Theta and Future Teachers of America. Jody Collins and Ruth Rigsby took their places as cheerleaders. Nancy Henry was elected vice-president of Student Council, and Jo Young was elected treasurer. Jane Fearheiley served as secretary of the senior class, while Betty Dietschy served as vice-president of the sophomore class, and Suzanne Poppleton was secretary of the freshman class.

PI BETA PHI

September. The Millikin campus was again ready for a fast-moving year of activities. The Pi Phi house was bustling with excitement during Rush Week, and after a few festive days of parties, we added to Illinois Eta a pledge class of fourteen girls. The months of work and play that followed included house dances, Homecoming, the Campus Chest Drive and Carnival with Jackie Davis as chairman and over which Mary Ellen Ripley reigned as queen, and our Christmas formal, "Fantasy in Frost," which completed the fall semester.

Panhellenic Council had for its president this year Barbara Banner who was also chosen for Who's Who and Phi Kappa Phi. The Decaturian was co-edited by Barbara Munson during the second semester as Marc Erickson and Joanne Lytle issued the social news and Mary Lou Evans handled the musical side of the news. The Big Blue was cheered along its way by Cheerleaders Patsy Weiland and Sue Sullen; student government included Barbara Bowman as vice-president of the freshman class, Joanne Lytle as vice-president of the junior class, and Jean Keller who was senior representative to the student council. Dramatically speaking, we had Sue Etherington, Jeannine Netzel, and Nancy Todd who took part in the fall and spring Town and Gown productions. Phi Mu Theta elected Jean Baker, Mary Taylor, Barbara Banner and Barbara Walmsley to its group. Our linguist Jean Baker presided as president of the French Club and secretary of the German Club.

and along with that, spring hit the campus. Our formal dance in May had us in a merry-go-round mood with "Carousel" as the theme. Senior Farewell arrived all too soon, and once again we closed our doors for the summer months as we added to our book of memories one of the best that Millikin and Pi Phi together gave us during a most successful school year.

ZETA TAU ALPHA

Zeta Tau Alpha began the 1951-52 school year with a lot of work, fun, and enthusiasm. Social activities got off to a start by entertaining fraternity men with several coffee hours. An early Homecoming proved to be a great success. Zeta received first place trophy for her float and third place for her house decorations. The fall pledge dance, "Soda Hop," really had atmosphere. Our Christmas formal, "'Twas the Night Before Christmas," was held at the Orlando Hotel and sent everyone home for Christmas in a gay mood. Two more house dances were given in the spring. One in honor of the actives was called "Save Our Actives." The other was called "Prelude to Spring." Our formal dance held in May ended the social events for the year.

Dodie Stoops served as secretary of the student council this year. Pat Rebbe and Marilyn Morgan were elected to Who's Who. Barbara Hill, Inez Patten, Carolyn Houghton, and Marilyn Morgan were initiated into Phi Kappa Phi, and Inez Patten, Carolyn Houghton, and Barb Hill became members of Pi Mu Theta. Marilyn Morgan served as vice-president. Ginny Neal was president of S. A. I. this year with Carol Koch as vice-president and Shirley Bonnen and Joanne Stubblefield as rushing co-chairmen. Conant

Another year rolls on, and again "Delta Sig" means leadership, progress, and activity.

Campus organizations find the Delta Sig chapter well represented with leaders as well as members; to be specific, president and secretary of the "M" Club, president of the Newman Club, Decaturian sports editor, president of the Art Club, and I.F.C. treasurer.

Notable distinctions and honors have, in the past year, been given to brothers who have shown outstanding ability. Chapter president, John Luttrell and past president, Richard Helledy, were elected to "Who's Who." John Luttrell received the Joe Catlin memorial scholarship, Robert Kowa was elected to the N.A.I.B. All-American basketball team, and awards were presented to brothers for achievement in art and accounting. Scholastically the past semester found the chapter, both actives and pledges, with the highest grade average of all the fraternities.

DELTA SIGMA PHI

Contributions to athletics by the chapter reached a peak with the basketball team almost predominantly "Delta Sig." Co-captain Bob Kowa, with John Luttrell, both of whom were elected to the conference All-Star team, and their teammates sparked Millikin to its third consecutive Little Nine championship. Tom Innis and Lou Epperson were elected as representatives to the All-Conference football team, and aside from conference notoriety, the chapter had a total of fourteen lettermen in varsity athletics.

With the coming of a new school year, an accelerated social calendar was planned

which even surpassed the "Carnation Ball," barn dance at "Pete's" and frequent house dances held last semester. SIGMA ALPHA EPSILON

The name Sigma Alpha Epsilon has long been synonymous with the word leadership here on the Millikin campus. This year was no exception to the rule as the brothers once more proved their worth in all phases of school life.

The chapter provided capable leaders for the school publications this year, brothers holding the enviable positions of editor and business manager of the yearbook as well as sports editor and business manager of the weekly paper.

In the field of politics the brothers fared well by bringing home the coveted offices of president and treasurer of the junior class in addition to the treasurers of both the sophomore class and the student council.

Four brothers were given national recognition for their outstanding leadership in scholastic endeavor and general activity in school affairs. Bill Strickler and Lynn Turner were chosen to join the coveted folds of Phi Kappa Phi with Ed Chant elected to Who's Who. Brother Jerry Lewis had the distinction of being chosen to both of these select groups.

In athletics SAE leadership can be seen at a glance. President Art Murray served as co-captain for this year's championship basketball team and three other Sig Alphs captained the golf, tennis, and baseball teams. Nor was football left free from the guidance of the brothers as Roy Schaub was named co-captain elect for the oncoming season.

TAU KAPPA EPSILON

In all phases of campus activity, which has included everything from formals and house dances to picnics and bull sessions, the men of Tau Kappa Epsilon have worked together to make this year one of the best that the fraternity has ever experienced.

The biggest event of the year for the Tekes was the spring formal, which, after many hours of hard work on the part of the whole chapter, brought Vaughn Monroe to the campus. Although formulated in summer school, the plan was not realized until ten months later. Bob Schaub, who was one of the first to think that having a big name band for our formal was not a pipe dream, along with the committee which worked with him, deserves a great deal of credit for its success.

Also memorable, although less spectacular, was the winter formal with the theme of "Snowman's Serenade," which was held at South Side Country Club, and the "Harvest Hop."

Although Tau Kappa Epsilon had a good year socially, other things also entered in to make the fraternity life a full one. Major offices on both campus publications were held by Tekes as Gene Rigsby became editor of the Decaturian and Dan Newcomb took over the position of business manager for the Millidek. John Winick became Senior Class president, while John Davidson was elected to steer the Freshman class. Tekes

were also chosen to Alpha Phi Omega, and Dan Newcomb became first semester president and was followed by Rod Sward.

This year Tau Kappa Epsilon followed the example of several other chapters at some of the larger colleges and universities throughout the country by replacing "Hell Week" with "Help Week." The program was successful, and the pledges spent the week working at various civic projects.

MILLIKIN INDEPENDENT ASSOCIATION

The Millikin Independents began the fall semester with a picnic and a coffee hour for all old members and the new members-to-be. Soon after, things really began to happen; the organization was the largest it had ever been and to keep up with the size, bigger and better plans were made.

National Independents' week was celebrated in October with special activities and a dance. New pins were adopted, using both the national crest and our own shield as a background. When homecoming rolled around, the Indees were found all hours of the night and day working on a huge green monster. There was even time left to decorate the barracks and set up floodlights. This was the first year for the outdoor decorations.

In keeping with the social season, the winter formal "Christmas Dreams" was held at the St. Nicholas Hotel, and the spring dance was held after Easter vacation. A large number of members attended each of them.

Not all the time was spent in socializing, for Indees were found in just about every activity. Emma Lou FitzPatrick was co-editor of the Decaturian, Jim Viani was president of the sophomore class, Herb Zuegel was president of the junior class and was elected to "Who's Who", Anice Duncan was awarded the Pi Mu Theta scholarship the second semester, Helen Stocker was president of Tau Chi Pi, Robert Marsden and Bob Belmar were very active in Town and Gown, and Wayne Shiffer was president of the Student

SIGMA ALPHA IOTA

The past year has been one which all S.A.I.'s will be proud to remember! A well-rounded year of musical activities is always the aim of Sigma Alpha Iota, and this year has proved to be a very exceptional one!

The first semester was inaugurated with a party for freshman girls which was followed by the initiation of our spring pledges. We joined the Phi Mu's in a mixer for new students in the fall, and actively participated in the Campus Chest Drive. Another big project was the massive white grand piano constructed by the S.A.I.'s and Phi Mu's (complete with oversized animated concert pianist and recorded music) as Conservatory decoration during Homecoming festivities.

The second semester was even more outstanding, for then we joined the Phi Mu Alpha chapter in presenting Johann Strauss' comic opera "Die Fledermaus" in Albert Taylor Hall, and then putting it on the road. Our traditional Rose Tea, followed by State Day, and our Contemporary Musicale, and finally a last farewell to the seniors at the annual Senior Banquet. All contributed to a very wonderful and successful year for the Nu Chapter of Sigma Alpha Iota.

PHI MU ALPHA

Crowning an active and successful year for Beta Theta chapter was, of course, the S.A.I.-P.M.A. cooperative production of Strauss' "Die Fledermaus", but this was only one of the many projects which our chapter undertook.

We started the year with rushing activities. Then came Homecoming and the inevitable decorations, parade, and Alumni reception. This was followed by the beginning of rehearsals and committee work on "Die Fledermaus", the Variety Show, and the Annual Pledge Dance held at the Hotel Orlando on the Twelfth Night of Christmas, January 5.

The second semester brought to us new officers and new rushing and pledging activities. We then began chorus rehearsals and planned many musical appearances and programs. Once more we co-sponsored competition in the annual All Millikin Sing, and we also sang engagements in many local places, including an exchange sing with the Decatur chapter of S.P.A.S.B.Q.A. which was a thrilling night for all of us. The annual Spring Formal, Senior Picnic, and Commencement climaxed another interesting year.

We are indeed proud of the many men in our chapter who this year have given many solo appearances in various places and who thus have carried Beta Theta's standard of professional performance to many clubs, organizations and nearby communities.

ALPHA PHI OMEGA

Alpha Phi Omega was founded 27 years ago on December 16, 1925, at LaFayette College, Eastern Pennsylvania. It is a fraternity based on the members having been Boy Scouts in the past and who, wishing to carry on the program of service in college, banded together to form A.P.O.

It is a unique organization in that it gives service to the student body and faculty; service to youth and community; service to the nation and service to the members.

It started the first teacher rating scale on the Millikin campus. It has helped give an electric scoreboard on the athletic field and hopes to complete this project soon.

It has an annual Ugly Man contest which furnishes the organization with the necessary funds to carry out these charitable projects.

Thus A.P.O. is an organization not bounded by the social limitations and is open to any one who was a former Scout and who wishes to further service to others.

STUDENT COUNCIL

From the casual observer's point of view, the Student Council this year has outdone itself. The genuine interest and support of the students in the affairs of both the students and faculty has been overwhelming.

Incorporated in the Council's program was the initiation of a stable and permanent income to allow for more adequate social activities for the student body. A budget was permanently established, proportionate to the needs of the students, for the upkeep of the Milli-den, which was renovated under the direction of the Council. An allowance was made in the budget of the Council for class organizations to promote class and all-school functions.

Various Faculty-Council programs were instituted to cement student-faculty relations into common purposes. The establishment of a building fund for the student union building was proposed. A code of ethics and techniques of administration were adopted for the school publications. The Council proposed the organization of an annual Little Nine student government convention to ascertain the needs and solve the problems of similar schools.

This Student Council deserves a vote of thanks from the entire student body for the progress it has made and for the numerous advantages it has afforded the students of Millikin.

WHO'S WHO

It was the outstanding honor of Millikin University this year to have fourteen of its students elected to "Who's Who in American Universities and Colleges". This high honor was bestowed on twelve seniors, and two juniors. The juniors achieving such recognition were John Luttrell, and Jerry Lewis, who have demonstrated qualities of excellence and leadership in both scholarship and extra-curricular activities in only two years of college life.

All those students elected to "Who's Who" have evidenced great strength of character, good social and moral responsibilities, scholastic achievement, and other qualities indicating a strong citizenship, and faithful leadership. Students are nominated to "Who's Who" by an anonymous committee composed of students and faculty, and then are judged by a smaller committee on all the qualities indicated as essential. The list of nominees is then sent in to "Who's Who" for national approval, after which time the students are notified of their election.

PHI KAPPA PHI

Phi Kappa Phi, national honor society, elects students from the junior and senior classes for outstanding scholarship. This year the Society invited Dr. Charles Malik, Minister of Lebanon in the United States, and delegate to the United Nations, to speak at the dinner, which honored the initiates in the Hotel Orlando Ballroom, and at the Honors Day Convocation. At the close of his lecture, the University conferred upon him an honorary degree of Doctor of Letters.

PI MU THETA

Pi Mu Theta, founded in 1914, is the senior women's honorary organization at Millikin. A 3.0 or "B" average for all work at Millikin for the first three years is the scholastic requirement for membership. This organization is comparable to the women's honorary, Mortar Board.

The outstanding activities of the group this year have been the sale of mums at the homecoming game, the sale of the school calendars, and the sale of programs at the University Sing.

MILLIKIN RELIGIOUS ASSOCIATION

To foster the religious life of the campus and to intensify the faith of the individual—this is the purpose of M.R.A. Guided by a council made up of members from denominational groups, including Jewish and Roman Catholic, and other interested students and faculty, projects, organized discussions, informal discussions, worship and study—these are encouraged in order that the purpose may be achieved.

M.R.A. meets the new student at Freshman Camp and solicits the support of each new student as well as the upperclass student. Membership is an indication of support and willingness to assist in this purpose in a specific way.

Pi Kappa Delta, national forensic fraternity, provides a means for orators to demonstrate their ability as debators. Millikin's chapter of Pi Kappa Delta has been active and has participated in several debate tournaments at colleges throughout the state. Marshall Susler served as president, Marilyn Morgan as secretary-treasurer, and Dr. McNabb was faculty adviser.

TAU CHI PI

Tau Chi Pi, an organization of women in the Secretarial Science Department, presents and discusses problems in the fields of secretarial science, business administration, and business education. From time to time business men and women speak to the group. Two picnics and a Christmas party comprised the social events of the year.

The officers this year were: Helen Stocker, president; Barbara Walmsley, vice-president; Carolyn Houghton, secretary; and Nancy Ross, treasurer.

CONANT SOCIETY

The Conant Society is a literary society open to upper-class English majors and minors. The main purpose of the society is to further the appreciation of literature and related fields. This year the Conant Society sponsored Charles Coburn, and a literary contest. Current officers are: Bob Watters, president; Marilyn Bingman, vice-president; Ginee Herron, secretary; and Dick Helledy, treasurer.

SIGMA ZETA

Sigma Zeta is an honorary organization on campus for students of biology, chemistry, physics, mathematics, and other related fields of science. Talks were given by the students throughout the year on a variety of subjects. Discussions were then carried on by the group. The second semester the members of Sigma Zeta planned a field trip, and also sponsored a spring dinner.

Women's Residence Hall Council

The active governing body for the three women's dormitories is the Women's Residence Hall Council. Its members, representatives from each of the halls, have charge of both the legislation and administration of the dormitories.

The organization is active in orientation activities and also sponsors hall parties. Jo Deputy was president, assisted by Melva Clayton, vice-president, Ann Welshans, secretary, and Trudy Geisler, treasurer.

Future Teachers of America

Future Teachers of America is organized and designed to be an aid and a guide to students who plan to become teachers. This year the Millikin chapter obtained its national charter. Each member of F.T.A. automatically becomes a member of the National Education Association and Illinois Education Association, and receives his magazines monthly. Leaders in the educational field have spoken at the meetings about many of the problems which concern the present day teacher.

HOME ECONOMICS CLUB

This has been an outstanding year for all the girls of the Home Economics Club. Various projects were undertaken, one of which was the annual Christmas party for the girls at the Welfare Home. The club has been chosen to sponsor the Illinois Home Economics Association of College Clubs, for 1952, with Dr. Viola Bell acting as the State Sponsor, and Dorothy Eickhoff serving as the State President.

ART CLUB

The purpose of the Art Club is to maintain the high standards of art in our age, and to improve the appreciation of art for everyone.

Throughout the year the Art Club has presented various interesting exhibits of both student and professional art. Further improvements in the art exhibition areas, and the presentation of varied examples of modern art through movies and exhibits in the Decatur Art Institute have also been a part of the year's program.

MAJORETTES

This year three majorettes were added to the line-up of the band. They participated in the festivities of the football and basketball seasons. Besides the extra hours of practice, leading the parades and performing for social clubs, civic groups, and schools kept them busy.

Their costumes are an original design combining the Millikin colors—the traditional "Blue and White".

FRENCH CLUB

The purpose of Le Cercle Francais is to promote the practice of spoken French among its members. Anyone with one year of college French is eligible to be a member.

Meetings are held once a month and there is always a party for the December meeting.

The officers for this year are: Jean Baker, president; James Manuell, first vice-president; Kathleen McCarthy, second vice-president; Betty Harrington, secretary; and Darrell Merriman, treasurer.

SPANISH CLUB

La Sociedad Espanola, composed of student taking second year Spanish, or more advanced courses in Spanish, has as its aim to acquaint the students with the language and with many customs of the Spanish speaking people. Meetings are conducted in Spanish to give the members practice in the language. Activities such as picnics, folk dancing parties, and a Christmas party with a "pinata", are held during the year. La Sociedad Espanola meets on the third Wednesday of every month.

GERMAN CLUB

Der Deutsche Verein is composed of students of the intermediate and advanced German classes.

The primary purpose of the club is to acquaint its members with the customs, language, and music of Germany, and to promote international understanding.

The year's program included participation in International Night, a Christmas gala program, and other activities, such as a music program at which Mozart's "Zauberfloete" was presented on records.

MILLIKIN BAND

This year, sparked by Mr. Elton Burgstahler, the Millikin band increased in both its members and duties. The band gave an added zest to all the football games while the pep band did more than its share during the basketball season. Like the postman who stops for neither sleet nor hail the Millikin Band kept marching through slush and snow, through fair and foul weather. The Band marched at the Illinois College football game, and were entertained in the I.C. student building after the game. Eastern State was invited here and was feted in our student building. A concert tour of Blue Mound, Mattoon, Shelbyville, Pana, and Windsor found the band quite busy musically. Of course, none can forget the stirring renditions of the pep band while waiting for the basketball team to pull in from K.C. Altogether the year added another tradition for the Millikin band to live up to in the following years

ORCHESTRA

The Millikin Concert Orchestra was founded under the capable leadership of Mr. Harold Clyde Hess, the spring term of 1947. It originally was a Town and Gown organization called the Millikin Civic Orchestra. The concerts were held at the Masonic Temple and in the years immediately following the founding the organization presented many very outstanding artists as soloists. Madame Maria Korenko, called the "Russian Nightingale", William Primrose, considered to be one of the greatest viola players in the world, and Albert Spalding, America's first violinist, have appeared with the Millikin orchestra. The personnel numbered near one hundred for the first concerts, but in 1950 the orchestra was cut down to size for Albert Taylor Hall. The Millikin Orchestra has two primary purposes, first, to promote the best in symphonic music in Decatur, and second, to give our own outstanding students opportunity to perform with a symphony orchestra.

MILLIKIN CHOIR

The University choir has seen another busy year of outstanding performances. The full schedule of the choir has included concerts at Mattoon, Springfield, Decatur High, and the Lions Club. It also presented two inspiring concerts in Albert Taylor Hall. At one of these, which was done in the Fall, the choir sang a Bach Motet, a work of Frescobaldi, and a number by John Balamos, a former Millikin student. The other program, presented in the Spring, was composed of a Bach Mass and two of the Bach cantatas. As can be readily seen from the foregoing examples of its repertoire, the choir sings only the highest type of choral music.

In keeping with tradition, shortly before Christmas the choir and chorus combined forces for the annual presentation of Handel's "Messiah." In the Spring the two groups, accompanied by a small orchestra, performed the Mozart "Mass in C Minor."

The choir sings at the weekly chapel services of the University. Both the a cappella choir and the university chorus are under the excellent and inspiring leadership of Mr. Howard Akers.

RALPH ALLAN

COACHING STAFF

The Millikin coaching staff, though not extensive, has proved itself capable this past year. Led by athletic director Ralph Allan, the basketball team repeated as conference champs as well as winning the N.A.I.B. State playoffs and a chance to go to Kansas City. In his springtime duties as coach of track, tennis, and golf, he will probably come up with further C.C.I. champions.

Coach Bob Appleby in his first year at Millikin has done a fine job as head football coach and looks as if he may be able to lead the Blue to another conference crown in baseball.

Dr. Leo Stine took on the added responsibility to his regular classes and turned in a fine job as assistant coach of football last fall. Don Hess also came through in good style to aid Coach Allan as assistant coach of the basketball team.

"M" CLUB

The "M" club once again has had a quiet, but far from inactive year. The leading activities followed have been the used-book exchange and the Joe Catlin Memorial basketball game. The money from these sources flows into a scholarship fund for Millikin athletes to help Millikin build up its athletic program.

The "M" club was headed by "Jeep" Althoff the first semester with Don Hess as vice-president. The second semester saw Hess take over the presidency with Ed Chant handling the vice-presidency.

Once again Millikin started out its year's athletic program by going full blast into the football season. At the head of this year's team, however, was a newcomer to Millikin. Robert W. Appleby was appointed head football coach to replace Henry J. Keil who had resigned at the close of the 1951 school year. Mr. Appleby came to Millikin from Arkansas State University where he was line coach and head baseball coach from 1949, when he completed his graduate work, until the close of the 1951 school year.

Along with Coach Appleby came something new to the Little Nine Conference this year. The "split-T" formation, an up and coming variation of the regular "T" formation Millikin had used the previous three years, utilizes wide spacing between the linemen, and a quarterback who can pass or run with the ball himself as well as hand off to another backfield man.

For its opening game Millikin traveled to Cape Girardeau, Mo., where the newness of the "split T" proved too much for them, keeping them from capitalizing on any of quite a few scoring opportunities. The Indians were right at home and used their every opportunity to come up with a 26-0 score over the Blue.

After a week of polish the Big Blue was in championship form when they traveled to Wheaton. The Blue stopped Wheaton's attack cold, and were never in trouble except for two long runs by Wheaton's All Conference halfback, George Dryden, which only added to the thrill of a hard-fought 13-12 victory for Millikin.

The following week saw Millikin in their home opener against Augustana. Another hard fought game was in store and the Blue showed their desire to win by coming out on the right end of the 12-7 score.

Backed by a large crowd of loyal fans, the team was off to Jacksonville for the annual grid-battle with Illinois College. I.C. started off with a bang and swept seventy yards for the game's first T.D., but couldn't hold their lead as Millikin turned on full force for a 27-6 victory and their third C.C.I. win in as many starts.

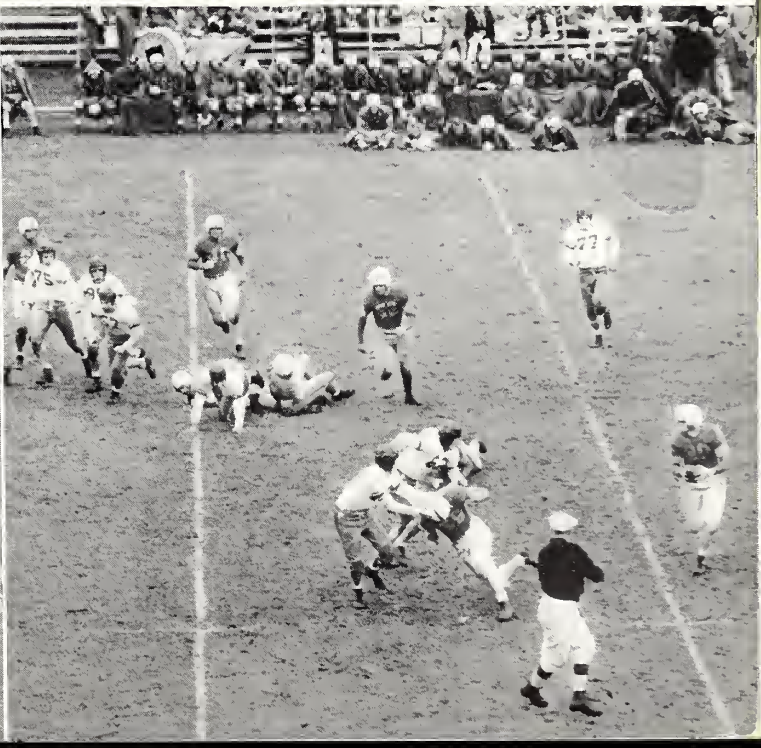
Homecoming found Millikin as always, torn between classes and preparations for the Cavalcade of Talent, the dance, the floats, and the house decorations; the classes suffered as did the team. Something was missing as the Blue went down 26-7 in a hard fight to the unbeaten Wesleyan eleven, intent on keeping their record that way.

The Blue headed north for their last conference game with North Central. The snow flew and by game time the field was under several inches of white. In the freezing blizzard which kept up throughout the entire game, the small, shifty Blue was left immobilized; while the slow, but heavy Cardinals went unhampered by the snow to a 26-12 victory.

The snow lasted and the field remained blanketed for play so the game with Ball State was cancelled by mutual agreement.

The last game of the season found the Blue and White playing host to Eastern. The team, depleted by serious injuries to key players, gave their all and for three quarters they were able to keep up with the high powered Eastern team. Lack of depth caught up, however, giving Eastern a chance to run wild for 33 points in the last quarter making the final score 46-6.



Although the win-loss record for the year came up a not-too-impressive 3-4, the spirit shown was compensating. The undermanned team did a good job in taking third place in College Conference of Illinois standings. Individuals were also outstanding in that Ralph Rausch was named to the offensive All-Conference team with Lou Epperson, and Tom Innis being named to the All-Conference defensive team. Other standouts were Don Hess, Roy Schaub, Don McIntyre, Jack Lippold, Gene Panizzi, and Ed Chant, who were elected to Honorable Mention on the All-Conference selections.

Next year's team, captained by Roy Schaub and Lou Epperson, and equipped with 15 returning lettermen, have the way open for a great season. Their ability and experience combined with the Millikin spirit to win should give the Big Blue their most successful season since their entrance into the College Conference of Illinois.

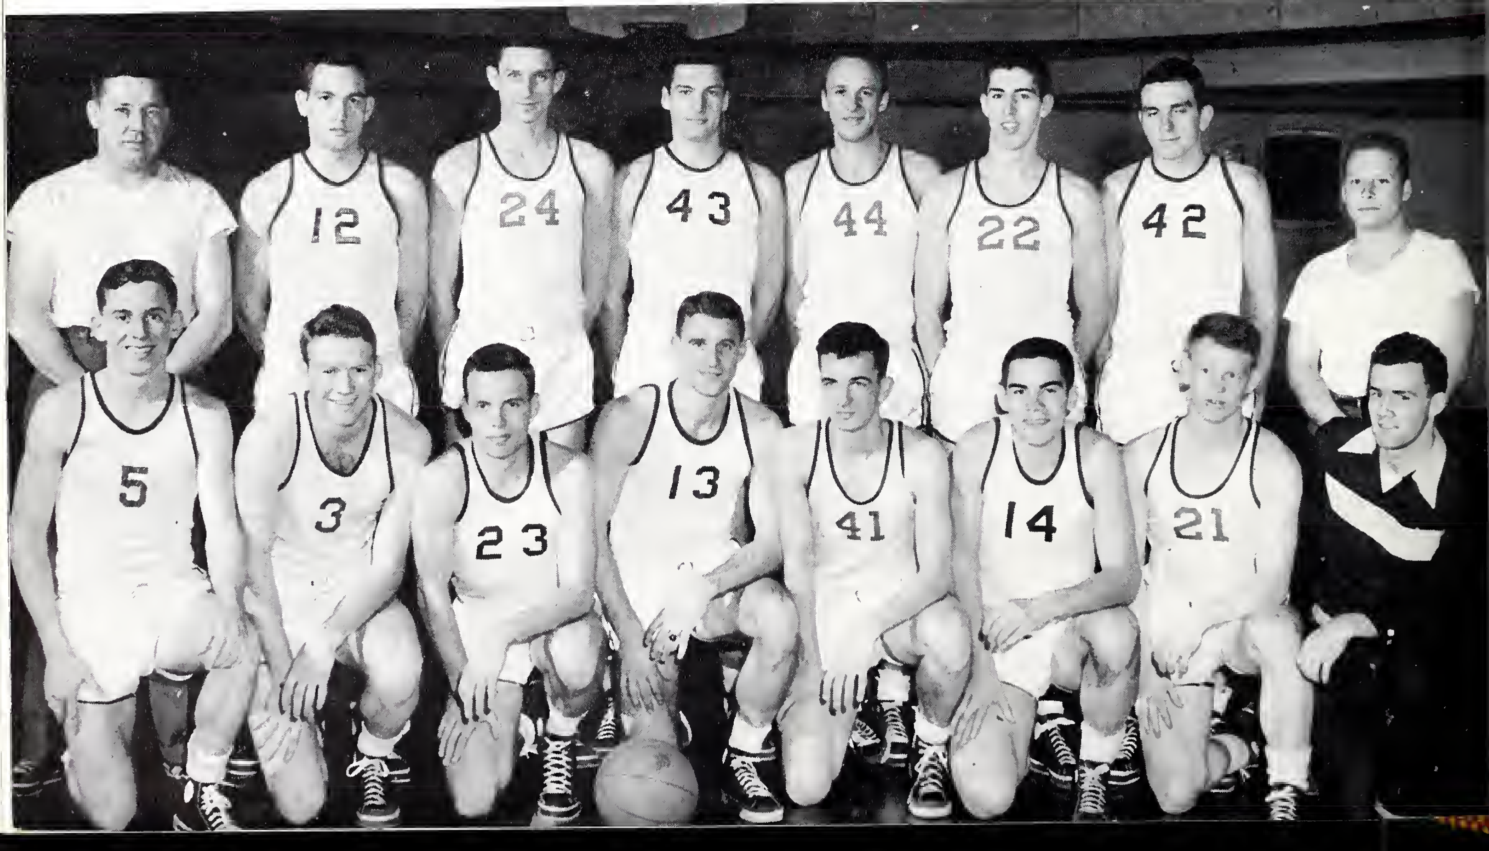
BASKETBALL

When the Big Blue ambled up to Normal to initiate the 1951-52 season, I guess they hadn't heard that they were supposed to have a mediocre record because they started in by dropping Normal 61-59. Incidentally, for the prediction expert's benefit, Normal was rated as having one of its best teams in a decade. The statement was made at the physical plant of J.M.U. prior to the first four games that if a majority of these games were won, the Millikin Hardwooders should be capable of rolling over some toughies. They came through with three out of four of these blue chip games dropping only one which was to be avenged later.

After the Southern game at home, the round-ball quintet opened their conference grind by giving Elmhurst a blitzkrieg treatment 81-43.

First Row: Mueller, Dalton, Luttrell, Althoff, Gale, Kuhn, Aery, Manager Heiss.
Second Row: Coach Allan, Murray, Rozycke, Lewis, Dubinick, Sheets, Kowa, Coach Hess.



All this time the prophets were picking Lake Forest and Wheaton as likely contenders to battle it out for the conference title. The Big Blue machine calmly continued with calculated precision to thread the nets by shadowing Kentucky Wesleyan 77-62 at home, and then moving southward to bump off Southern State at Flora 73-61 and taking care of Austin College from Texas to the tune of 65-58.

The curtain came down on the first act, and the stage was set for the telltale test. Before the Wesleyan game a certain amount of cramming was necessary, but the high spirited cagers of West Main passed the test with a margin of four points, 71-67. Three days later the highly praised Forester were forced to return to the woods without the goods, for the M.U. hoopers had applied the axe 76-64.

The middle of January saw I.C. get the Millikin cooling process tossed at them as the bucketeers turned the Blue Boys a darker shade of blue, 92-59. After the deep freeze at I.C., the ambrosial taste of victory was sweetened all the more as our rampant quintet stole the honey from the lair of the Washington U. Bears. However, the Pipers of Hamline mesmerized our stalwarts 88-66, and the Mac Men of Macalester also manipulated the leather sphere in a manner which muddled the Millikin men, 67-54.

Eastern hardly provided a welcome for the blue satellites upon their return home by jolting them 81-64.

The first defeat in league play came from North Central, 68-58, but this loss was to be their only conference setback of the season. Millikin regained their form by waltzing the Washington U. Bears back to Brown town to the tune of 66-50. The next six games were played in Millikin's usual net-ripping style, and the Big Blue came out on top over Wesleyan 69-66, I.C. 95-59, Quincy 81-47, Augustana 60-59, Carthage 68-60, and Wheaton 98-87.

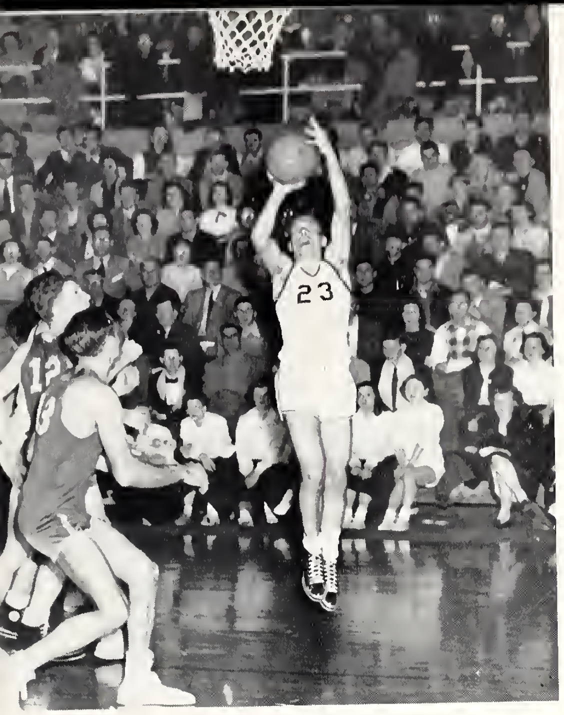
State N. A. I. B. Champs

The next matter at hand was an engagement in Champagn with two I.I.A.C. teams, Normal and—oh, yes! Eastern! Normal was given the forty minute persuasion treatment 81-64 and switched. The Eastern Cats, however, received special attention from the methodical Millikin men. They reluctantly accepted what had been coming to them all season, and went down 74-71 in a blaze of glory that was all Millikin's.

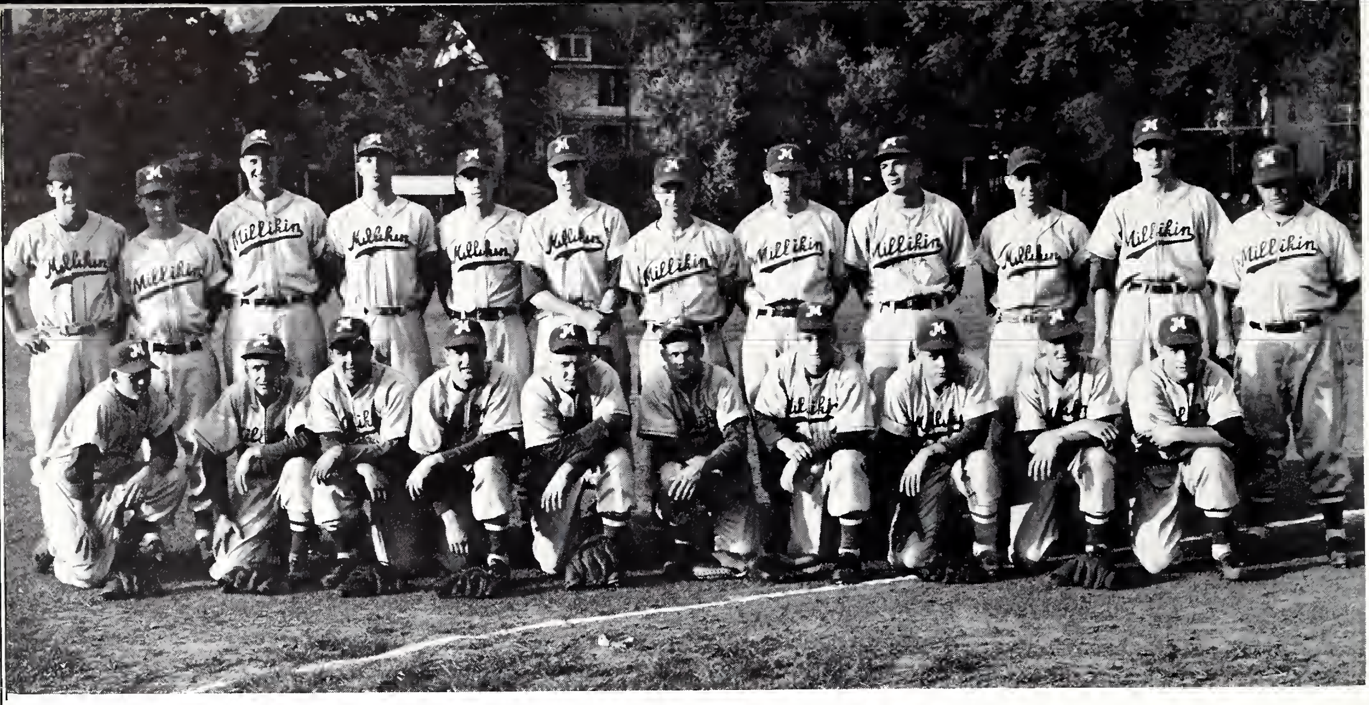


N. A. I. B. Tourney at Kansas City

The climax of the season was reached at Kansas City when 500 students followed the team west to see the national tourney. After running over Elon, North Carolina, in the first game by a score of 101 to 69, the team was edged out in their second game by Whitmore of Spokane, Washington. The final score was 72 to 71 after a great rally by Millikin in the last quarter. Millikin's John Luttrell won the E. S. Liston award for outstanding junior in the tournament.

BASKETBALL "B" TEAM

Kneeling: Armstrong, Mills, Schneiter, Dettro.
Standing: Hallek, McBride, Graglia, Rozycke, Kuhn, Coach Hess.



Kneeling: Aery, Mullinax, Stauder, Kowalski, Semler, Van Doren, Hess, Cook, Dechert, Sutherland.

Standing: Dettro, Dooley, Perrin, Longbons, Kuhn, Sheets, Schaub, Murray, Messenger, Winters, Lewis, Coach Appleby.

BASEBALL

A good turnout of players greeted Coach Appleby for his first year at the helm of the Big Blue baseball team. A past double-A pitcher and well experienced baseball man, Coach Appleby was well qualified to take over a team that has often been champions.

Bad weather kept the team indoors for the most part of the pre-season workouts. They were, however, well enough rounded into shape so that their first start ended in a win over Washington at St. Louis. The southern trip over the Easter vacation proved its worth in preparation for the regular season, even though a not too impressive win-loss record was compiled against a schedule of star-studded teams.

A good pitching staff is a necessity for a winning performance, and Millikin is proving itself very capable. Led by senior co-captain Don Hess, a standout with his 4-0 record for this season, the staff has plenty of depth. Behind Hess is the able arm of Gene Stauder with a 2-0 record already compiled for this season. Co-captain Dave Messenger looks as if his ailing arm is rounding into shape once again as he also has come through with a win in two starts this year. Ward Perrin and Loren Longbons have yet to find the right tricks, however, but should develop as the season progresses.

JACK SEMLER

The receiving half of the battery is in the person of Frank Van Doren. Though only a sophomore, he has been filling the first string position last season and this in a superior fashion.

Dick Lewis, back after a year's layoff, is going great guns once again as he did in basketball. With his lanky stretch and ability to pick them up out of the dirt he has been doing a great job as first baseman.

Transfer student Dick Aery, with a good batting eye and a phobia for stealing bases, has been proving his worth on second. Clet Mullinax with a strong throwing arm has been able to aid the cause with his putouts from deep short. At the hot corner of the infield is Jack Semler. With his steady performance in the field and at bat, he is fast showing his worth in his first year on the team.

The outfield boasts the team's hitting power. Roy Schaub, team batting champ last season, looks a cinch to repeat for the title with the fast pace he is setting again this year at the plate. Al Kowalski, permanently in the outfield this year instead of at shortstop, has been using the bat to good advantage also as he keeps hitting over the three hundred mark.

Bill Sutherland, past team captain and batting champion, is doing his usual good job at the plate as well as in the field with his strong throwing arm from deep center field.

With the record already turned in this year, especially in conference play, it looks as if the team, led by co-captains Don Hess and Dave Messenger, will be able to once again return the conference crown to Millikin.

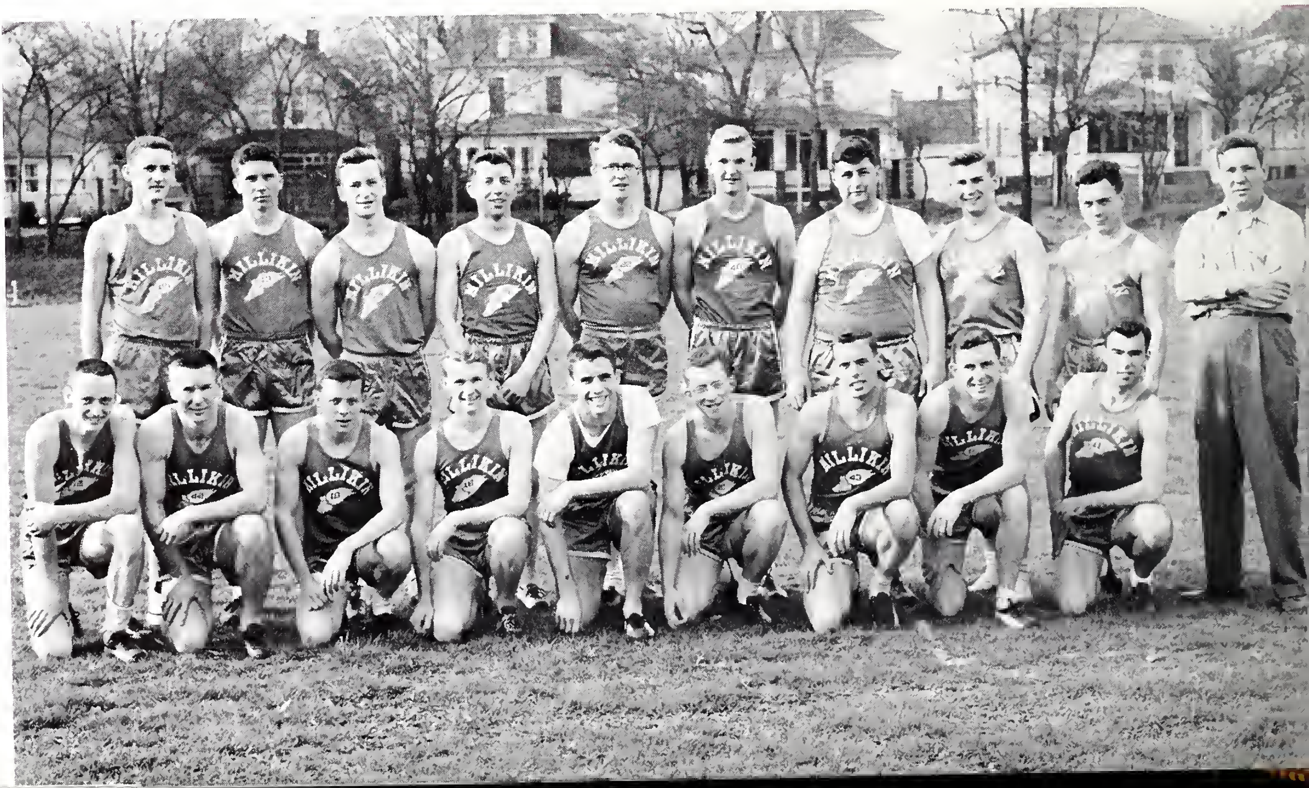
TRACK

The Millikin track team, coached by Ralph Allan, got off to a fast start in the 1952 season. Captained by John Luttrell, the Blue swept over Principia College in the season opener. The following meets saw the Big Blue not quite strong enough, however, as Eastern, Washington, and Wheaton turned back their hopes for team victory.

Although the team as a whole has been forced to settle for second places, captain John Luttrell has been consistently setting the pace in his races. Already the school's record holder in the half-mile, mile and member of the one-mile relay team, John this season has settled for the longer distances of the mile and two-mile runs. With less events to concentrate on, John has been able to add the two-mile record to his total and better it with each start as he grows in experience.

Kneeling: Armstrong, Shepherd, Ballowe, Taylor, Epperson, Kaplan, Luttrell, Mueller, Spalding.

Standing: McBride, Johner, Wright, Sherman, Key, Pogue, Panizzi, Chant, Thompson, Coach Allan.



Backing up Luttrell in the track events have been the other stalwarts of last year's team. Ron Sherman breaking the tape in the 220 and 440, Don Pogue going over the hurdles to win, and Dubinick, Thomson, Mueller, Mills, and Savage adding the points with their seconds and thirds.

In the field events it was Jack Shepherd in the broad jump and Lou Epperson in the pole vault who were picking up winning points for the team.

Gus Wangelin twirling the disk at an improved pace over last year has been coming in the money along with Gene Panizzi putting the shot to near record-breaking performances. Ed Chant, the only senior on the team, has been steadily improving on his javelin throwing with each meet, and should continue ending up in the point scoring column.

Along with the holdovers from last year's team, a good group of freshmen are helping to round the team into form. Winning performances in the dashes have been going to Jim Spaulding as well as a place on the relay team. Along with Spaulding on the relay team is Jim Ballowe, a newcomer in the 440 and 220 yard dash.

Dick McBride is another freshman showing promise. With creditable performances in the mile and two mile he shows as a potential candidate to better, in his upperclassman days, the marks for these events now being set by Luttrell. Charles Armstrong rounds out the freshman group by being the team's leading high jumper while only a freshman.

All in all the team shows great promise and should continue being a credit to Millikin's great athletic standing.

TENNIS

The Big Blue tennis team is showing two new faces backing up the two holdovers from last year. Still unproven Strickler and Dickerson are hoping to add the finishing touches to the winning game played by captain John Heiss and Lynn Turner.

It looks like a sure bet to say that Heiss will capture the conference singles crown, with the Heiss-Turner combination a strong contender for the doubles match.

GOLF

The golf team likewise is composed of two new men plus two returning lettermen. Ed Kuny and Jim Mullen, ineligible last year because of transfer, look as if they will be able to do their share in helping captain Jim Finley and Bud Downey in their quest to repeat as conference champs again this year as they have already won four of their first five starts.

MILLIDEK "M" MAN

The Millidek staff has picked Don Hess to receive this year's "M" man award. From his start at Millikin four years ago, Don has shown his abilities to the school. Quarterbacking the football team in the fall and pitching the baseball team to victory in the spring gave Don his varsity letters. Along with this he also found time to be assistant coach of basketball for the past season.

Don also has shown his leadership by being president of the "M" club and an officer of Sigma Alpha Epsilon. Don's unquestionable spirit and desire to win should go a long way towards making him a success in the coaching field he wishes to enter.

CHEERLEADERS

The Millikin cheerleaders have been in good form for the past year. Leading the yells at the football games might not have paid off too highly, but basketball saw their inspiration come through. In all the games the cheerleaders helped the crowd back the team as they fought their way to victory.

In the center, Patsy Wieland; left to right, Jody Collins, Sue Sullan, Dick Wagner, Janice Stone, Barbara Ficker.

MANAGERS

As essential to a team as its will to win are its managers. Their job of keeping the locker room and equipment in top shape is a necessary one if the team is to be in its top shape.

The managers have a thankless job, but are still a part of the team and so their letter awards for two seasons work should be respected and worn with pride.

WOMEN'S ATHLETIC ASSOCIATION

W.A.A. has a program which is based on both social and sport activity and is open to all university women. Its primary activity is the operation of an intramural program which includes such sports as softball, basketball, deck tennis, bowling, badminton, and volley ball. A round robin tournament is conducted in each activity and points are then awarded to those groups having the best records. A traveling trophy is presented each spring to the organization which has the greatest number of points.

The annual W.A.A. picnic was held early in September to acquaint all university women with the organization. This year a coed recreation evening was sponsored jointly with the "M" Club for everyone.

The W.A.A. also participates in various sports days held by other colleges and universities. Each year a special tennis tournament is held on this campus to which we invite all the Illinois colleges.

Individual awards are presented to girls active in intramural and in W.A.A. These awards are based on a point system which requires 250 points to obtain numerals, 500 points for a blue M, 1,000 points for a white M,

"HAY FEVER"

The first Town and Gown play of the school year was Noel Coward's "Hayfever," presented on November 16 and 17. Dealing with the antics of a zany family on a particular weekend, the comedy gave the audience a most enjoyable evening of laughs.

When the four members of the Bliss family each invited a guest to spend the weekend without informing the others, the situation became complicated. The guests were ignored by their hosts and tried to entertain themselves. Mrs. Jane Ludlow and Mr. David Langlois as the mother and father of the family gave excellent performances as they contributed much to the turmoil of events. Sue Etherington and Jim Ballowe, Sorel and Simon Bliss, got involved in romantic difficulties of their own which were solved only when the guests terminated their visit.

The five supporting actors added to the gay confusion of the weekend.

"IPHIGENIA IN TAURIS"

For their second major production, the Town and Gown players presented a challenging Greek play, "Iphigenia in Tauris" by Euripides (April 4 and 5).

The scene of the play is laid in the land of the barbarian Taurians before the temple of Artemis. Barbaric pillars and a bloody altar lent great atmosphere to the setting.

Events leading up to the play were these: Iphigenia was about to be sacrificed by her father, Agamemnon, in order to appease the gods and be able to fight in the Trojan war. However, just before the knife fell, the goddess Artemis substituted a deer for Iphigenia and carried the girl off to Tauris where she served as the priestess. It was her duty to sprinkle holy water on the foreheads of captive strangers who were then beheaded.

The play begins with the arrival of Orestes, Iphigenia's brother, and Pylades, his friend in Tauris. They have come to get the image from the temple. The very beautiful recognition scene in which brother and sister recognize each other adds much to the effectiveness of the play. Iphigenia aids her brother in outwitting the savage King Thoas and in stealing the image from the temple. A most dramatic scene occurs near the end of the play when the goddess Athena appears to aid the Greeks in making their escape. Thunder, lightning, and the screams of the actors prelude her appearance.

Both a speaking and dancing chorus were used to beautifully interpret the poetic lines.

Mary Frances Prust, as Iphigenia, and Robert Belmar, as Orestes, gave excellent interpretations to the difficult lines. King Thoas, played by Ted Bell, and the goddess Athena, played by Patricia Monroe, added greatly to the dramatic impact.

"DIE FLEDERMAUS"

The zenith of the musical activities on campus this year was the production of Johann Strauss' "Die Fledermaus" (The Bat). Sigma Alpha Iota and Phi Mu Alpha combined their talents to present two tremendously successful performances of this operetta.

"Die Fledermaus" is the story of Dr. Fritz Falke's revenge against Gabriel von Eisenstein. The latter preparing to serve a jail sentence for kicking a tax collector, is persuaded by Dr. Falke to attend a ball. There he unknowingly makes love to his own wife. Meanwhile her lover, mistaken for Eisenstein is arrested and led to jail. The following morning all meet at the jail and everything ends happily.

The production was under the direction of Mr. Robert Long, and the orchestra was conducted by Mr. Elton Burgstahler. The choreography was directed by Miss Annette Van Dyck. The chorus was coached by Mr. Russell Peebles.

The operetta was also given in Paris and Springfield, Illinois.

The pressure is off . . . .

Congratulations to the Millikin Graduates of 1952. You have earned the laurels bestowed upon you. . . . The pressure of getting that coveted sheepskin has been relieved. You've done your job well.

The A. W. CASH VALVE MANUFACTURING CORP. deals in pressure problems too. The Company manufactures a quality line of pressure relief valves, pressure reducing and regulating valves and strainers for home and industry. There is quite a difference between the pressure of final exams and the pressure of water, steam and air. However, both must be controlled and both must be properly relieved. It is Cash-Acme's job to produce the kind of equipment that will solve these pressure problems, and do it well.
